

### REMARKS

Applicant notes that the Notice of Allowance refers to the title as "WETNESS MONITORING SYSTEM." However, the title was changed in the preliminary amendment submitted with the originally filed application papers. The foregoing amendment to the Title reflects the previously requested change to the title. It is believed that this amendment does not affect the scope of the claims in any way, and accordingly, entry is believed proper, and is respectfully requested.

If further changes are deemed necessary, the Examiner is requested to call the undersigned attorney at the Los Angeles, California, telephone number (213) 623-2221.

Respectfully submitted,

Lee, Hong, Degerman, Kang & Schmadeka
